

PHIL ROGERS GOLF DAY

+ fundraiser

Friday 23 August 2024
Tamborine Mountain Golf Club

We are holding our second commemorative golf day in honour of Phil Rogers, who sadly lost his battle against Motor Neurone Disease (MND) in July 2021. We are seeking sponsors to support the event and all proceeds on the day will go to MND Queensland.

ABOUT MND QUEENSLAND

MND Queensland is a not-for-profit that was formed in 1983 to assist those diagnosed with MND and their families. MND Queensland is committed to supporting and maintaining the quality of life for all people living with MND within Queensland.

Their mission is to help reduce the impact on people living with MND, their families and carers, by:

- Providing information, education and support;
- Raising awareness of MND and its impact; and
- Supporting efforts to find the cause and a cure for motor neurone disease.

Thank you to our current sponsors:
