

SPONSORSHIP OPPORTUNITY

swinging sixties soiree

Saturday, 7 March 2026 | 6pm - 9pm
Victoria Park, Herston

WE INVITE YOU TO BE PART OF OUR SWINGING SIXTIES SOIREE EVENT - A NIGHT OF ELEGANCE, FUN AND STYLE, ALL FOR A GREAT CAUSE. THIS IS YOUR OPPORTUNITY TO MAKE A DIFFERENCE AND SUPPORT QUEENSLANDERS LIVING WITH MOTOR NEURONE DISEASE.

AN EVENING with purpose

Presented by MND Queensland

The Swinging Sixties Soirée is a signature fundraising event hosted by MND Queensland, bringing together community members, corporate partners and supporters for an evening of style, connection and meaningful impact.

Set against the iconic backdrop of Victoria Park, the Soirée invites guests to step back into the glamour and optimism of the 1960s. Guests will enjoy live entertainment, dancing, themed décor and a vibrant atmosphere — all while supporting Queenslanders living with motor neurone disease.

With an expected audience of 200+ guests, the event attracts a diverse mix of business leaders, health professionals, advocates, families and community supporters. Sponsoring the Swinging Sixties Soirée offers a unique opportunity to align your organisation with a respected Queensland charity while engaging directly with an active and compassionate audience. Beneath the celebration lies a powerful purpose: ensuring that no Queenslanders face MND alone.

about

MOTOR NEURONE DISEASE (MND)

Motor neurone disease (MND) affects the nerves that control movement, causing progressive muscle weakness and wasting.

As the disease progresses, it severely impacts a person's ability to move, speak and swallow, and eventually, to breathe. While mental cognition usually remains intact, MND is always fatal. Currently, there is no known cause and no cure.

The impact of MND extends far beyond the individual diagnosed, affecting partners, children, carers and extended families. In Queensland, hundreds of individuals and families are living with the daily realities of this devastating disease.

MND Queensland exists to ensure that no one faces MND alone. The organisation provides essential support and services, including:

- Information, education and personalised support
- Equipment and assistive technology
- Advocacy and awareness
- Guidance for families, carers and health professionals

Funds raised through the Swinging Sixties Soirée directly support these vital services, helping people live as well as possible for as long as possible.

SPONSORSHIP opportunities

By sponsoring the Swinging Sixties Soirée, your organisation will:

- Demonstrate meaningful community leadership and social responsibility
- Align your brand with a trusted, purpose-driven Queensland charity
- Gain exposure to 200+ engaged event attendees
- Reach MND Queensland's growing online community
- (~7,000 Facebook followers and ~1,400 Instagram followers)
- Be recognised through event marketing, digital promotion and on-the-night acknowledgements

Your support transforms one memorable evening into lasting impact for individuals and families affected by MND.
